## **CLAN PICNIC**

**Sunday, 22 April. Glandore Com. Cent.**

Sack races,, egg & spoon, 3 legged X100m, the Eric Liddell Invitation Kilted 400m. and great Puddin' Hurler Fnal, and that thrilling crowd pleaser - the water filled Gum Boot standing long jump. These are some of the incredible spectacle which can be seen at Fingledoon, Gala Day; but they won't be played at Glandore.

Since last time, Bill is worried about his hamstrings and has pulled his Scotch finger, Merawyn can't move in the Gum Boots and Allan's frame gets in the way of his jump. Alex & Pauline were disqualified for walking the Kilted 400m. There weren't enough amputees for the 3 legged race, and Mary pinched the eggs to make the puddin', which Lorraine thought was a cushion and... Then Stefan & Peter put a new slant on 'sacks' by hitting the sack and slept through the whole event.

There will be a 2012 Clan Picnic, from 11.30am, with a new theme of "Your Christmas Traditions", or 2nd choice, "How I could have made the Olympics this year but didn't."

BYO the lot. "Spare the sandwiches and share the desert !"
